State: Departments; Public Officers and Employees—Public Officers and Employees—Open Public Meetings; Executive Sessions; "Confidential Date Relating to Financial Affairs or Trade Secrets." Steven L. Opat, Geary County Attorney, Junction City, October 13, 1988.

Pursuant to K.S.A. 75-4319(b)(4), a public body may recess into executive session to discuss confidential financial data or trade secrets. The open meetings act is to be interpreted broadly to give effect to the legislative intent that meetings of public bodies be accessible to the public; exceptions to the act must be construed narrowly. Thus, public bodies must take care to recess into executive session on the basis of K.S.A. 75-4319(b)(4) only when the topic of conversation clearly involves confidential financial data or "trade secrets" as that term has been defined by Kansas courts. The bonds will bear interest at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on June 1 and December 1 in each year, beginning on June 1, 1989.

Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Kansas State Treasurer, Topeka, Kansas (the paying agent and bond registrar). The principal of the bonds will be payable at maturity or upon earlier redemption to the registered owners upon presentation and surrender of the bonds at the office of the paying agent. Interest on the bonds will be paid by check or draft mailed by the paying agent to the persons in whose names the bonds are registered on the registration books maintained by the bond registrar at the close of business on the record date for such interest, which shall be the 15th day (whether or not a business day) of the calendar month next preceding each interest payment date.

The city will pay for the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondholders.

(continued)

Redemption of Bonds Prior to Maturity

The bonds will not be subject to redemption and payment prior to maturity.

Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of 1/8 or 1/20 of 1 percent. No interest rate shall exceed the index of treasury bonds published by the weekly Credit Markets in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. The difference between the highest rate specified and the lowest rate specified shall not exceed 2 percent. No supplemental interest payments will be authorized. No bid of less than the principal amount of the bonds and accrued interest will be considered. Each bid shall specify the total interest cost to the city during the life of the bond issue on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the city on the basis of such bid. Each bid shall also specify the average annual net interest rate to the city on the basis of such bid. Bidders shall specify in the bid form the prices (exclusive of accrued interest), expressed as a dollar price, at which the bidder intends that each maturity amount of the bonds shall be initially offered to the public (the initial reoffering prices).

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the city, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the city. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the city shall determine which bid, if any, shall be accepted, and its determination shall be final.

Authorization, Purpose and Security for the Bonds

The bonds are being authorized and issued to permanently finance various internal improvements to the city. The bonds will be general obligations of the city payable as to both principal and interest in part from special assessments levied upon specially benefited property and, if not so paid, from ad valorem taxes which may be levied without limitation upon all the taxable tangible property, real and personal, within the territorial limits of the city. The balance of the principal of and interest on the bonds is payable from ad valorem taxes which may be levied, without limitation as to rate or amount on all the taxable tangible property, real and personal, within the territorial limits of the city.

Internal Revenue Code of 1986

The Internal Revenue Code of 1986 imposes requirements on the city which must be met subsequent to the issuance of the bonds by the city and, as a result, the city will and does hereby covenant that it will diligently undertake those steps necessary to maintain the tax-exempt status of the bonds. The city's failure to comply

with such requirements could adversely affect the taxexempt status of the bonds. Purchasers of the bonds should be aware that should the bonds lose their status as tax-exempt obligations as a result of the city's failure to comply with such requirements, the bonds are neither callable nor will the rate of interest on the bonds be adjusted to reflect such circumstances.

The code includes interest on tax-exempt obligations, such as the bonds, in the adjusted net book income of certain corporations for taxable years beginning after December 31, 1986, and includes, through 1989, in the calculation of alternative minimum taxable income one-half of the excess of a corporation's adjusted net book income over its alternative minimum taxable income (determined without regard to this adjustment and prior to reduction for certain net operating losses). After 1989, the use of "book income" will be replaced by "adjusted current earnings," with certain other adjustments. Furthermore, Section 59A of the code, as added by the Superfund Amendments and Reauthorization Act of 1986, provides for a new environmental tax generally based on corporate alternative minimum taxable income. The amount of the tax is equal to 0.12 percent of the excess of alternative minimum taxable income, without regard to net operating losses and the deduction for this tax, over \$2 million. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax. The environmental tax, which is effective for taxable years beginning after December 31, 1986, may subject certain bondowners to additional taxation for interest earned on the bonds.

The code also requires property and casualty insurance companies, for taxable years beginning on or after January 1, 1987, to reduce the amount of their deductible underwriting losses by a percentage of the amount of taxexempt interest received or accrued on obligations acquired after August 7, 1986.

With the exception of certain "qualified tax-exempt obligations," the code provides that banks and thrift institutions may not deduct any portion of the interest cost of purchasing or carrying tax-exempt obligations such as the bonds if such interest cost is incurred in taxable years ending after December 31, 1986, with respect to obligations acquired after August 7, 1986. The city does intend to designate the bonds as "qualified tax-exempt obligations" under Section 265 of the code.

Legal Opinion

The bonds will be sold subject to the legal opinion of Nichols and Wolfe Chartered, Topeka, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the city, printed on the bonds and delivered to the successful bidder when the bonds are delivered. Said opinion will also state that in the opinion of bond counsel, assuming continued compliance by the city with the provisions of the ordinance authorizing the issuance of the bonds and the code, under existing law, the interest on the bonds is exempt from federal income taxation. Interest on the bonds will also be excludable from the computation of Kansas adjusted gross income for taxable years commencing after December 31, 1987.

Delivery and Payment

The city will pay for printing the bonds and will deliver

the bonds, without cost to the successful bidder, properly prepared, executed and registered on or prior to November 30, 1988, at such bank or trust company in the state of Kansas or the greater metropolitan area of Kansas City, Missouri, as may be specified by the successful bidder. Delivery elsewhere will be at the cost of the successful bidder. Said bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in Federal Reserve funds, immediately subject to use by the city. The denominations of the bonds and the names, addresses and Social Security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the city and bond registrar not later than 4 p.m. C.S.T. on November 14, 1988. In the absence of such information, the city will deliver bonds in the denomination of each maturity registered in the name of the successful bidder.

The successful bidder shall furnish the city by 4 p.m. C.S.T. on November 14, 1988, a certificate acceptable to the city's bond counsel to the effect that: (i) the successful bidder has made a bona fide public offering of the bonds at the initial reoffering prices, and (ii) a substantial amount of the bonds was sold to the public (excluding brokers and other intermediaries) at such initial reoffering prices. Such certificate shall state that: (1) it is made on the best knowledge, information and belief of the successful bidder, and (2) 10 percent or more in par amount of the bonds of each maturity was sold to the public at or below the initial reoffering prices (such amount being sufficient to establish the sale of a "substantial amount" of the bonds).

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$19,749.74, payable to the order of the city to secure the city from any loss resulting from the failure of the bidder to comply with the terms of the bid. No interest will be paid upon the deposit made by the successful bidder. Said check shall be returned to the bidder if the bid is not accepted. If a bid is accepted, said check shall be held by the city until the bidder shall have complied with all of the terms and conditions of this notice, at which time said check shall be returned to the successful bidder or deducted from the purchase price at the option of the city. If a bid is accepted but the city shall fail to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check shall be returned to the bidder. If a bid is accepted but the bidder shall default in the performance of any of the terms and conditions of this notice, the proceeds of such check shall be forfeited to the city with the city reserving its right to pursue any lawful remedy available to it to recover any consequential damages sustained by the city by reason of the successful bidder's failure to perform in accordance with the terms and provisions of this notice.

CUSIP Numbers

CUSIP identification numbers will be printed on the bonds, but neither the failure to print such number on

any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of this notice. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the city.

Redemption of Bonds

The bonds maturing in the years 1989 through 1998, inclusive, shall become due and payable on their respective maturity dates without the option of prior call for redemption and payment.

The bonds maturing on and after November 1, 1999, shall be subject to call for redemption and payment at the option of the city on and after November 1, 1998, as a whole at any time or in part and in inverse numerical order on any interest payment date, at a redemption price equal to the principal amount thereof plus all accrued and unpaid interest thereon to the date of redemption, and without premium.

The paying agent shall give written notice of any call for redemption by United States first class mail to the registered owners of the bonds not less than 30 days prior to any date established for redemption of bonds. Prior to any such redemption date, the city shall deposit with the paying agent sufficient funds to pay the principal amount of the bonds to be redeemed together with all unpaid and accrued interest thereon to the redemption date. Upon the deposit of said funds, and the giving of notice in the form and manner hereinbefore specified, bonds thus called for redemption shall cease to bear interest from and after the redemption date.

Conditions of Bidding

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidder, subject to the conditions of this paragraph. The same rate of interest shall apply to all bonds of the same maturity. Each interest rate specified shall be in an even multiple of 1/8 or 1/20 of 1 percent. No interest rate shall exceed the maximum interest rate allowed by Kansas law, said rate being equal to the index of treasury bonds published by the Credit Markets in New York, New York, on the Monday next preceding the date on which the bonds are sold, plus 2 percent. No bid of less than the entire par value of the bonds and accrued interest thereon from the dated date to the date of delivery will be considered, and no supplemental interest payments will be authorized. Each bid must state the total interest cost to the city

during the life of the bonds on the basis of the bid; the premium, if any, offered by the bidder for the bonds; the net interest cost to the city on the basis of the bid; and the average annual interest rate on the bonds on the basis of the bid. Each bid shall be certified by the bidder to be correct, and the governing body shall be entitled to rely on such certificate of correctness.

Bid Form; Good Faith Deposit

Bids shall be submitted on an official bid form that may be obtained from the city or its financial adviser, shall be submitted in sealed envelopes, plainly marked "Bond Bid," and addressed to the Governing Body, City Administrative Center, 301 N. 8th, P.O. Box 499, Garden City, KS 67846. Bids may be submitted by mail or delivered in person, and must be received at the city not later than the date, time and place hereinbefore specified.

Each bid shall be accompanied by a good faith deposit in the form of a certified or cashier's check payable to the order of the city for the amount of \$13,200 (being 2 percent of the principal amount of the bonds). If a bid is accepted, the deposit will be held by the city until the bidder shall have complied with all of the terms and conditions of this notice and of the bid. In the event a bidder whose bid is accepted shall default in the performance of any of the terms and conditions of this notice or of the bid, the bidder's deposit shall be retained by the city as and for liquidated damages. If a bid is accepted, but the city shall fail to deliver the bonds to the bidder in accordance with the terms and conditions hereof, the deposit shall be returned to the bidder. No interest shall be paid upon the successful bidder's deposit. The good faith deposit checks of the unsuccessful bidders shall be promptly returned.

Award of Bonds

The bonds shall be awarded to the bidder whose proposal results in the lowest net interest cost to the city, which shall be determined by deducting the amount of the premium bid, if any, from the total interest cost to the city. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more identical bids for the lowest net interest cost are received, the governing body shall determine which bid, if any, shall be accepted, and such determination shall be final. The governing body reserves the right to reject any and all bids and to waive any irregularities in a submitted bid.

Delivery of Bonds

The bonds, duly printed, executed and registered, shall be furnished and paid for by the city and shall be delivered to the successful bidder on or about Wednesday, December 21, 1988, at any bank in the state of Kansas or in the city of Kansas City, Missouri, at the expense of the city. Delivery elsewhere will be made at the expense of the successful bidder. The successful bidder shall also be furnished with a transcript of proceedings evidencing the authorization and issuance of the bonds, and the usual closing proofs, including a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for

the bonds shall be made in Federal Reserve funds, immediately available for use by the city.

CUSIP Identification Numbers

CUSIP identification numbers are expected to be assigned to the bonds. All expenses of the CUSIP Service Bureau for such assignment shall be the responsibility of and shall be paid for by the city.

Official Statement

The city shall prepare an official statement relating to the bonds, copies of which may be obtained from the city's financial adviser. Upon the sale of the bonds, the city shall furnish the successful bidder with a reasonable number of copies of the official statement, without cost, upon request. Copies in excess of a reasonable number may be ordered at the successful bidder's expense.

Authority, Purpose and Security for Bonds

The bonds shall be issued under the authority of K.S.A. 10-101 et seq., as amended and supplemented; K.S.A. 12-6a01 et seq., as amended and supplemented; and K.S.A. 13-1024a, as amended by Charter Ordinance No. 13 of the city, and shall be authorized by a bond ordinance to be adopted by the governing body immediately after the awarding of the bonds.

The proceeds of the bonds shall be used to pay the cost of constructing various internal improvements in the

city.

The bonds and the interest thereon shall constitute general obligations of the city, and shall be payable as to both principal and interest, in part, from the collection of special assessment taxes which have been levied against certain properties in the city, and the remainder of said principal and interest, and any part of the specially assessed portion thereof not so paid, shall be paid from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the city.

Legal Opinion and Tax Exemption

All matters relating to the authorization and issuance of the bonds are subject to the approving opinion of Hinkle, Eberhart & Elkouri, Wichita, Kansas, bond counsel. Bond counsel's opinion will be printed on the bond, and a manually signed original of bond counsel's opinion will be furnished without expense to the successful bidder concurrently with delivery of the bonds. All fees and expenses of bond counsel will be paid by the city.

In the opinion of bond counsel, assuming continued compliance by the city with the terms of the bond ordinance, under existing law, the interest on the bonds: (i) is excludable from gross income for federal income tax purposes, and (ii) is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations. However, it should be noted that with respect to corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted net book income (adjusted current earnings for taxable years ending after December 31, 1989) for the purpose of computing the alternative minimum tax imposed on such corporations. The exclusion mentioned in the preceding clause (i) is subject to compliance by the city with all requirements

(continued)

of the Internal Revenue Code of 1986, as amended, which must be satisfied subsequent to issuance of the bonds in order for the interest on the bonds to qualify for such exclusion. Failure to comply with certain of such requirements could cause the interest on the bonds to be so included in federal gross income retroactive to the date of issuance of the bonds. The city will covenant to comply with all such requirements. Bond counsel expresses no opinion regarding other federal tax consequences arising with respect to the bonds.

The bonds are exempt from intangible personal property taxes levied by Kansas counties, cities and townships, and the interest on the bonds is excludable from the computation of Kansas adjusted gross income for taxable years commencing after December 31, 1987.

Related Federal Tax Matters

Prospective bidders for purchase of the bonds should be aware that: (i) Section 265 of the code denies a deduction for interest on indebtedness incurred or continued to purchase or carry obligations other than qualified taxexempt obligations (as described in the next paragraph), or, in the case of a financial institution within the meaning of Section 265(b)(5) of the code, that portion of a bondholder's interest expense allocable to interest on such obligations; (ii) with respect to insurance companies subject to the tax imposed by Section 831 of the code, for taxable years beginning after December 31, 1986, Section 832(b)(5)(B)(i) of the code reduces the deduction for loss reserves by 15 percent of the sum of certain items, including interest on the bonds; (iii) for taxable years beginning after December 31, 1986, and prior to January 1, 1992, interest on the bonds earned by some corporations could be subject to the environmental tax imposed by Section 59A of the code; (iv) for taxable years beginning after December 31, 1986, interest on the bonds earned by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the code; (v) passive investment income, including interest on the bonds, may be subject to federal income taxation under Section 1375 of the code for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year if greater than 25 percent of the gross receipts of such Subchapter S corporation is passive investment income; and (vi) Section 86 of the code requires recipients of certain Social Security and railroad retirement benefits to take into account in determining gross income, receipts or accruals of interest on the bonds. The foregoing categories of prospective bondowners should consult their own tax advisers as to the applicability of these consequences.

Qualified Tax-Exempt Obligations

The city will covenant to take such actions as are necessary to designate the bonds as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the code, and, in the case of certain financial institutions within the meaning of Section 265(b)(5) of the code, a deduction is allowed for 80 percent of that portion of such financial institution's interest expense allocable to interest on the bonds.

Assessed Valuation and Bonded Indebtedness

The assessed valuation of the taxable tangible property within the city, for the year 1988, is as follows:

Assessed valuation of taxable tangible property	\$64,097,880
Taxable value of motor vehicles	14,558,837
Equalized assessed tangible valuation for computation	

of bonded debt limitations \$78,656,717

The total outstanding general obligation bonded inblatedness of the city, upon the issuance of and including

The total outstanding general obligation bonded indebtedness of the city, upon the issuance of and including the bonds described herein, will be \$5,735,000. This amount does not include \$753,036.34 outstanding principal amount of the city's temporary improvement notes, which will be redeemed and paid from the proceeds of the bonds described herein and special assessments which were paid in cash.

Additional Information

Additional information regarding the bonds may be obtained from the city, or from the city's financial adviser, Stern Brothers & Co., One Main Place, Suite 810, Wichita, KS 67202, Attention: Charles M. Boully, First Vice President, (316) 265-8622.
